

INVESTOR PROFILE

Suited to investors seeking low volatility through an emphasis on fixed income and liquid investments. Investors should be able to accept a low level of risk.

INVESTMENT OBJECTIVE

To seek total return through a combination of current income and capital appreciation.

INVESTMENT STRATEGY

The fund intends to achieve its objective by investing primarily in a well-diversified Underlying Fund which subsequently invests in other underlying pooled funds offered by MFS Investment Management Canada Limited. The fund consists primarily of fixed income funds for income potential with a portion allocated to equity funds for growth potential.

Permitted equity investments include common stock, preferred stock, shares, convertible securities, preference shares, depository receipts, share warrants, REITs, and all other securities deemed by the portfolio manager to be of an equity nature. Fixed income debt instruments include, but are not limited to, corporate, government, and mortgage-backed securities; structured debt including asset backed and commercial mortgage backed securities; emerging markets debt; high yield debt; bank loans, loan participations and assignments.

The fund's currency exposure may be hedged utilizing currency derivatives (e.g. options on currency, futures, and forward contracts).
